Dear Mr. Schultz,

Welcome to SETAC! We received your application for membership; it was complete and was approved by the Membership Committee.

Your dues have been applied toward the 2002 Membership Year from (1 January through 31 December). You will receive all issues of *Environmental Toxicology and Chemistry* (Volume 21) online and in print (if you paid postage), and bimonthly issues of *SETAC GLOBE*. The SETAC Membership Directory is available online at www.setac.org. By using your last name and your member number (above, right), you can follow the simple instructions and obtain current information about any SETAC member worldwide.

Thank you for your interest in SETAC. Our goal is to make the Society attractive to you professionally and friendly toward you personally. Please call, FAX, or E-mail me or Mrs. Leslie Long, Director of Member Services, if we can assist you in any way.

Sincerely,

Rodney Parrish
Executive Director
