Dear Mr. Urian:

Pursuant to our telephone conversation last week, the following statement is being provided to you regarding BJAAM Environmental's claim filings at the Board.

My records indicate that over the past four years we have processed over 250 claims on 90 sites in Ohio, and have reimbursed BJAAM over \$4 million. These claims were submitted by BJAAM under direct payment authorizations from the owners.

Please contact me if you require further information.

Sincerely,
