Mr. Schultz:

Thank you for your participation in the BUSTR Corrective Action executive rule revision workgroup. I personally appreciate the time and effort you committed towards the development of Ohio Administrative Code rule 1301:7-9-13 "Petroleum UST Corrective Action".

I strongly believe your expertise has helped to develop a rule that provides a cost effective means of addressing petroleum releases and at the same time, assures a level of environmental protection necessary and essential to the citizens of Ohio.

Sincerely;
